Reading This Book

If, while reading the following pages of this book, the reader will keep these few facts in mind, a much clearer understanding of the contents will result. The format or style used in this book is known as the **Modified Register System**, which has been refined by the National Genealogical Society.

Three types of numbers are used: one to uniquely identify the individual, one to indicate the generation into which that person falls, and one to denote his or her birth-order within the nuclear family. The identification numbering system used in this book is called **By Generation**. The starting person is 1, his first child is 2. All the children are listed as generation number two, the grand-children are listed as generation number three and so on. Each person is assigned an ID number in sequential order by generation.

When an individual is introduced in his/her separate sketch, the name appears in boldface letters with the surnames in all capital letters. The name is preceded by the identification number. The last given name is followed immediately by a superscript number indicating the number of generations from the starting individual in this book. In parentheses following the name is a list of direct ancestors back to the starting individual. Only the given name is listed, preceded by his/her ID number, and followed by the generation number in superscript.

When the list of children is presented, the plus (+) sign indicates that more about this child will be presented in his/her separate sketch. The ID number is printed, followed by M/F indicating the sex. Next a small roman numeral in front of the name designates birth-order. Next the name is followed by the birth and death dates.

The index is arranged alphabetically by surname. Under each surname, the given names are alphabetically arranged. The name is followed by the ID number in parentheses, followed by the year of birth and death in square brackets. The number to the right indicates the page where this name appears. The wife appears under her maiden name and under her married names with her maiden name in parentheses.

Along with their four ground spray units, Mid-Wood is presently using a helicopter to get the corn and bean spray jobs completed. Ray Keyes coordinates the entire spray program and keeps the units busy. The "chopper" (helicopter) can travel at 80 m.p.h. going to and from a job and while actually spraying works at 30 m.p.h. The benefits to this system is that wet fields are no problem and travel to and from the job is rapid. OBITUARY: Crash proves fatal to Portage woman A Portage woman was killed Wednesday evening at the main intersection in Portage when her auto was hit broadside by a semi-trailer rig. Then both vehicles crashed into a utility pole and a building. Mrs. Norman (Mary Lou Dietrich) Bassett, 42, was westbound on Portage Road when Kenneth Bibler, 23, Route 2, Arlington, who was northbound on Ohio 25, reportedly ran a traffic light with his truck filled with soybeans. Both vehicles reportedly ran off the left side of Route 25, struck a utility pole, then crashed into the front of the Portage Tire Service, according to state highway patrolmen. Mrs. Bassett was pronounced dead at the scene. Mr. Bibler was taken to Wood County Hospital, where he was treated and then released. The accident is still under investigation, according to state highway patrolmen. The truck's cab came to rest inside the tire store, demolishing more than half the front of the building. Most of the load of soybeans spilled onto the street, blocking traffic for several hours. The Portage Fire Department was called to the scene of the accident to flush the gasoline spill. This is the second time a traffic death has affected the Bassett family. The Bassetts' only daughter, Rhonda Lu, 18, was killed in 1972 when the van in which she was riding struck a bridge abutment on Ohio 64, just outside Bowling Green. Mrs. Bassett's death was the 16th in Wood county traffic this year. There were 24 at a comparable time last year. She was born Oct. 6, 1933 in Portage to Mr. and Mrs. Carl Dietrich (Hilda Benschoter). She married Mr. Bassett May 24, 1953. She was the owner-operator of Mary Lou's Beauty Salon, Portage, and a member of Christ Methodist Church, United Methodist's Women's Organization and the Old Mill Stream Camp Club. Survivors include her husband, one son, Douglas, at home; her mother, Mrs. Lyle (Hilda) McGuire, Portage, and two sisters, Mrs. James (JoAnne) Patton, Rudolph, and Mrs. Jerry (Jennie) Spencer, Toledo. Her father and daughter preceded her in death. Friends may call Friday from 2 to 9 at the Dunn Funeral Home, Bowling Green, where the funeral will be Saturday at 1 p.m. Rev. James Mussman will officiate and burial will be in Portage Township Cemetery. The family suggests that tributes be made in the form of contributions to Christ Methodist Church, Portage.
